

Place Shaping Consultation

Sandbach

Your Place, Your Future, Your Say

What do you want Sandbach to be like in the future?

This is the first stage of consultation in drawing up a new development plan for Cheshire East and Sandbach. This will look at:

- How many new homes and jobs are needed and where they should go;
- Protecting and improving important open areas;
- Providing new cycle routes and footpaths;
- The road and public transport network;
- Improving the town centre and community facilities; and
- How the environment of the town can be improved.

This your chance to tell us about the issues affecting Sandbach and to help draw up a plan for the future.

Come and Have Your Say

Drop in – anytime between

10am-6pm Thursday 21st July
Sandbach Town Hall
